BIO

Roberto Vivancos is a Spanish-British cinematographer renowned for his highly cinematic visual story-telling. Having worked with international production companies as well as running his own photography and film studio, his latest moving portraiture collection includes shooting with acclaimed actors such as Sir Ian McKellen, Sir Derek Jacobi, Sir Patrick Stewart, Charles Dance, amongst others. With a passion for narratively intriguing concepts, his bold cinematic style and his intensive career focusing on dramatic lighting techniques are defining features of his work.
